

## Village of Lena Vision Statement (adopted 2008 – updated 2019)

In 2040, the Village of Lena is a healthy and vibrant community lead by ***progressive government officials and community leaders***. The village's ***diverse economy*** is comprised of industry, commercial services, and professional occupations that offer family supportive wages. The combination of ***affordable residential housing for all age groups***; plentiful recreational and cultural opportunities; and a school district viewed as an academic leader makes Lena attractive to families seeking a community with strong qualities.
