

Distribution Policy

For Users of Oconto County GIS Data

The Geographic Information System data is sold by Oconto County as per the attached price schedule and may from time to time be amended. These prices represent an average reproduction cost, including but not limited to order, administration, direct labor, computer time, supplies and delivery via US Mail. Media charges will be assessed separately. Purchase orders from municipalities are acceptable. Prepayment is required for all other entities. Checks should be made payable to the Oconto County Land Information Systems.

Proprietary Rights. Redistribution of Oconto County data sets outside of user's organization/entity is expressly forbidden. The only exceptions are for redistribution by consultants working for the user and only for those purposes related to user's business.

Updates. Users of Oconto County GIS data sets buy copies on a one-time basis. Oconto County is under no obligation to specifically inform users of any updates to data thereafter. The burden of ordering and paying for the updated copies rests entirely upon the user.

Liability. Oconto County makes no warranty or representation, either expressed or implied, with respect to the data which have been requested, or their quality, accuracy, performance, merchantability, or fitness for a particular purposes. As a result, the data is transferred to you "AS IS" without any support whatsoever, and you the receiver, are assuming the entire risk as to its quality and performance. The data is neither a legally recorded map nor a legal land survey and is not intended to be used as one.

In no event will Oconto County, its elected or appointed officials or employees or any third persons who have been involved in the creation, production, or delivery of the data or file(s), be liable for direct, indirect, special, incidental, or consequential damages resulting from any defect in the data or its documentation. In particular, Oconto County shall have no liability for any data stored or used, including the costs of recovering such data. This disclaimer shall apply not only to the current transfer of data by the County to you but also to any future transfer of data.

Scheduling. Data orders have equal priority with other project work. A good faith effort will be made to fill orders as promptly as possible within normal operations of the Land Information Systems Office. Users are encouraged to order early.

Credits. Any hardcopy of original data sets shall clearly indicate their source as "Oconto County Land Information Systems". If the user has modified the data in any way whatsoever, they are obligated to describe the types of modifications they have performed on the hard copy map. User specifically agrees not to misrepresent Oconto County GIS data sets, nor to imply that changes they have made are approved by Oconto County.

Fees. If no prior arrangements for payment have been made, no information will be assembled or produced until full payment is received.
